How We Use and Disclose PPI

- 1. We use or disclose PPI for activities described in this part of the policy. We may or may not make any of these uses or disclosures of your PPI. We assume that you consent to the use or disclosure of your PPI for the purposes described below and for other uses and disclosures that we determine to be compatible with these uses or disclosures:

- b. for functions related to payment or reimbursement for services;

 - i. we believe that the use or disclosure is necessary to prevent or lessen a serious and imminent threat to the health or safety of an individual or the public; and
 - ii. the use or disclosure is made to a person reasonably able to prevent or lessen the threat, including the target of the threat.

When we make a permitted disclosure about a victim of abuse neglect or domestic violence, we will promptly inform the individual who is the victim that a disclosure has been or will be made, except if:

- (i) we, in the exercise of professional judgment, believe informing the individual would place the individual at risk of serious harm; or
 - (ii) we would be informing a personal representative (such as a family member or friend), and we reasonably believe the personal representative is responsible for the abuse, neglect or other injury, and that informing the personal representative would not be in the best interests of the individual as we determine in the exercise of our professional judgment.
- h. to a law enforcement official for a law enforcement purpose (if consistent with applicable law and standards of ethical conduct) under any of these circumstances:
- i. in response to a lawful court order, court-ordered warrant, subpoena or summons issued by a judicial officer, or a grand jury subpoena;

 - E. states that de-identified information could not be used to accomplish the purpose of the disclosure.
 - iii. if we believe in good faith that the PPI constitutes evidence of criminal conduct that occurred on our premises;
 - iv. in response to an oral request for the purpose of identifying or locating a suspect, fugitive, material witness or missing person and the PPI disclosed consists only of name, address, date of birth, place of birth, social security number and distinguishing physical characteristics; or
 - v. if:
 - A. the official is an authorized federal official seeking PPI for the provision of protective services to the President or other persons authorized by 18 U.S.C.

3056, or to foreign heads of state or other persons authorized by 22 U.S.C. 2709(a)(3), or for the conduct of investigations authorized by 18 U.S.C. 871 and 879 (threats against the President and others); and B. the information requested is specific and limited in scope to the extent reasonably practicable in light of the purpose for which the information is sought.

- i. to comply with government reporting obligations for HMIS and for oversight of compliance with HMIS requirements.
- j. to third parties for the following purposes:
 - i. to permit other systems of care to conduct data matches (i.e., to determine if you are also utilizing services from such other systems of care); and
 - ii. to permit third party research firms and/or evaluators to perform research and evaluation services in connection with the programs administered by CSB and the other agencies;
